

A JOURNEY TO ENLIGHTENMENT ... AND BEYOND!

EXPERIENCE DAY ∞ SAT 24th Oct 9.45 – 6.00 ∞ San Francisco ∞ \$95/concs

Enlightenment is becoming conscious of our deeper nature, which is one with all. This leads to a blissful experience of 'big love' and a passionate desire to fully engage with the adventure of life. Being spiritual is not just about stepping back, but jumping fully in!

Join an intimate group of fun, open-minded, big-hearted explorers of life for a profoundly transformative day of discovery, connection and laughter, led by standup philosopher Tim Freke. He will be sharing groundbreaking ideas and practical wake-up techniques from his extraordinary new book, *How Long Is Now?*, to guide you directly to enlightenment ... and beyond!

TIM FREKE is an internationally respected authority on spirituality, whose books and seminars have inspired hundreds of thousands of people around the world. He's clear, irreverent, down-to-earth and isn't remotely interested in setting himself up as some sort of 'guru'. He's the author of many bestselling books including *The Jesus Mysteries & Lucid Living*.
